

THE ROUTE

Friends of Kensico Cemetery 5K Run/Walk: October 27th, 2024

Route maps will be available, and staff will be posted to direct you.

Runners:

The 3.1-mile route starts above Mineola Lake, heads up Seneca Avenue (yes, that's the hill!), then winds through avenues of sycamores, oaks, and maples, circling Minnewaska, past Franklin Montross Jr. Pond, and finishing back at Mineola Lake.

Walkers:

Walkers have two options. You can follow the 3.1-mile runner's course or take the shorter 1.7-mile route, which starts at the same point, goes up Seneca Avenue to the Tower, and then back down Tecumseh to the Lake.
